Dear IN-APSE Member:

It is that time again. IN-APSE Board elections will be coming soon! IN-APSE is seeking board nominations for the three-year term 2023-26. We have **eight** board members whose terms expire in December. It is our goal to receive plenty of awesome nominations representing the entire state so that we can make sure that all members regardless of where they live will have strong representation on the board.

Please consider nominating someone or even yourself. Board nominees must be an IN-APSE member (or willing to join IN-APSE upon being elected) and someone who wants to make a difference and get actively involved with IN-APSE. In order to have the commitment we are looking for on the IN-APSE board we ask that the nominee be willing to serve on sub-committees within the board, consider holding future offices, attend quarterly board meetings and participate in an annual strategic planning retreat.

Attached is a form to help guide you in the nominating process. Forms are also available at www.inapse.org. Please fill out the form completely. If not a self-nomination, nominees will be contacted before their names are added to the ballot.

Nominations may be emailed to:

Amanda Ormstedt
Amanda.ormstedt@fssa.in.gov

Please submit your nominations by **November 30, 2022.**

The election will be conducted through an electronic vote by current IN-APSE members using Survey Monkey. Please watch for more information.

Thank you for your interest.

Sincerely,

Brian Pier
IN-APSE President

Wendy Waldman
IN-APSE Co- President
